The Cedar Park Christian School Lynnwood students joined the FHH staff for five days of work and fun in the sun. The working students always had an audience watching them and waiting for a food break. The students fed the cows, sided the new AG store, completed grounds maintenance at the Food Bank, and enjoyed Mod's Pizza.

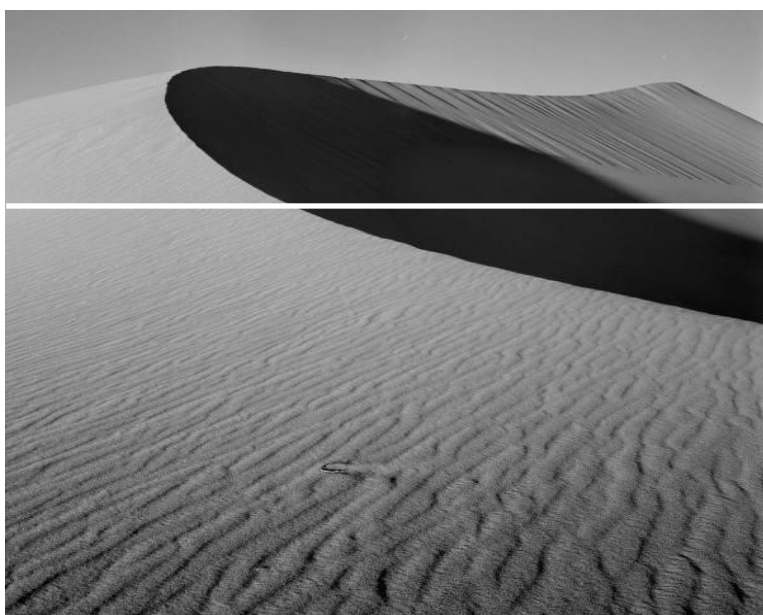

Join us every Thursday morning at 9AM for Praise, Worship, and Prayer at 12643 Case Rd SW (Exit 95 off I-5)

In 2019 I went to Piura, Peru on a missions trip with Eastpointe Foursquare Church to bring clean water to four remote villages. Our team of five completed four wells. Now over 2,000 people have accessible, disease-free water right in the center of their village! **I AM GOING BACK**, to PIURA, PERU. To be part of a team providing clean water to those in communities in need. This is not only a passion of mine but I believe in what it will do for the people! Clean water has proven to provide better health and saves lives. One person can make a difference, but together we are changing lives. I would like to invite you to pray and consider giving a one time donation. If you partner with me we will serve the Peruvians practical needs, hearts will be open to the gospel, and a nation changed forever. I would like to thank you for your prayers and financial support. Unity, you and me partnering together commands a blessing. Together we are stepping out trusting God in His faithfulness. **Director’s Corner:** As I look at the trees in my back yard, I am thinking about the acorns which fell last fall. Acorns needs nutrients and time to grow into a tall, sturdy oak tree. Likewise, men and women of conviction develop gradually through committed bible study and prayer. Ready to get planted firmly in biblical truth? Here’s how: Make a list of issues for which you need to form a conviction.

Here are questions to help you get started: Do you consider the Bible true and trustworthy? Are you convinced that believing in Jesus is the only way to be saved? What is the Holy Spirit’s role in the lives of believers and unbelievers? Are we to forgive others in every situation? How should Christians approach finances? What’s your purpose in life? What is your role in the body of Christ and at work? How should you think and act regarding social issues like capital punishment, abortion, and racism? It is my hope that these questions will open the eyes of those who haven’t contemplated how their personal philosophies have developed. It’s time to change that by studying the Bible and making it the cornerstone of your thinking. Evaluate what the Bible says rather than looking at an issue through the lens of personal preference. Ask *What does God say?* rather than *What does this mean to me?*

Once you know what God says, you have a choice to make: Believe Him and commit to living according to your conviction, or continue being tossed by waves of doubt and indecision (James 1:6). Root yourself in God’s Word and be called one of His oaks of righteousness (Isaiah 61:3). I know the truth found in God’s word will set you free. Paul
